

Call for Posters

ISSNIP 2007

December 3-6 2007
Melbourne, Australia

The third International Conference on Intelligent Sensors, Sensor Networks and Information Processing - ISSNIP 2007 (www.issnip.org) will be held during December 3rd to 6th, 2007 in Melbourne, Australia. This event is running under the umbrella of the ARC Research Network on Intelligent Sensors, Sensor Networks and Information Processing (www.sensornetworks.net.au).

The ISSNIP 2007 poster session will provide an excellent opportunity for authors to present their work in an informal and interactive setting. This provides an opportunity for the authors to communicate their work in progress with the conference attendees and may lead to possible future collaborations.

Posters addressing the following areas (but not limited to) are invited:

Sensor Fusion and Tracking

Security in Sensor Networks

Computational Intelligence in Sensor Networks

Optimisation in Sensor Networks

Intelligent Sensors and Sensors on Grid

Localisation in Sensor Networks

Information Processing in Sensor Networks

Sensor Network Architectures and Protocols

Sensor Network Management

Applications:

Health care Sensor Networks

Environmental Sensor Networks

Defense Sensor Networks

Unmanned Aerial Vehicles

Industrial Applications

Topics in the symposia of ISSNIP 2007: <http://www.issnip.org/2007/symposia.html>

An abstract of accepted posters (maximum 500 words) will appear in the book of abstracts distributed to the conference attendees. Students of accepted posters will become eligible for ISSNIP student membership program. ISSNIP student membership program enables members to participate in various ISSNIP organized activities through out the year, such as special invited workshops, summer schools and ISSNIP student bursary schemes (see www.sensornetworks.net.au for past activities of ISSNIP). A number of registration scholarships will be available for accepted student posters.

Initial submission: An abstract of maximum two A4 pages should be sent to sra@ee.unimelb.edu.au. The submission should contain the following: Title of the poster, Author names, Affiliations, Student or ECR (Early Career Researcher), Supervisor name (if the supervisor author is a part of ISSNIP).

Important Dates:

Initial Abstract: 5th October, 2007.

Acceptance notification: 1 week from the submission date

Final Abstract: 13th October, 2007

Poster Session Chair:

Dr Slaven Marusic, The University of Melbourne, Australia

Coordinator :

Sutharshan Rajasegarar, The University of Melbourne, Australia
